KSFO CUTOUTS

Del Courtney is stimulating proof that anything worth doing is better when it's done with music. As bandmaster, Del supplies do-or-die music for the Oakland Raiders...for the San Francisco Giants, too. Del's special way with music is particularly noticeable when you listen to KSFO. For it's right there, at 560 on the dial, that you'll find Del Courtney each day from noon 'til 3. Tune that way today and you'll discover why Del is Mr. Music...and just why we are so often called:

NATIONAL FOOTBALL LEAGUE-MOST FAMOUS PLAYS

Cleveland Browns stormed to NFL title in 1950, their first season in loop, with this "bread-and-butter" play. After taking snap Otto Graham handed off to full-back Marion Motley, who took one step to the left, then drove through hole after left tackle had trapped rushing guard. After hand-off Graham faded to pass, luring linebacker out of position. Against Steelers Motley gained 188 yards in 11 carries.

simply say Delco

... and next time you'll be sure of quick starts with a new Delco DC-12, the dry charge battery with 100% fresh power. Activator fluid is added only *after* you buy—that gives you *all* the starting power you pay for. Get the right battery for your car from the dealer who displays Delco. ■ Watch the CBS televised N.F.L. Our guest organization for today's half time is the Drill Team of 70 girls from Crescent City. This team was organized five years ago by its present director and choreographer, Mrs. Leo Sullivan.

These girls have made many appearances at college, high school, civic and athletic events in California and in Oregon.

They are famous for their precision drills and dance routines and all of them attend Del Norte County High School.

Today's appearance in Kezar climaxes a two-day visit to San Francisco.
